Prayer Request:

Please pray for my co-workers Joan, Tamika, Lori, Becky, Debbie and Margie, Miguel, Matilda Marie.. We all work on the same job and we are all Christian Jorge and Dear Jesus send deliverance and salvation in their lives. Please help them to stop gossiping and using Critical, Judgmental Words Gossiping at work - especially if you're talking about your coworkers negatively - it make a person look bad. Lord take hate from their hearts and put love there.
